THE MIRACLE OF BEING CHANGED

“Whatever Jesus lays his hands upon lives. If Jesus lays his hands upon a marriage, it lives. If he is allowed to lay his hands on the family, it lives.”

(Elder Howard W. Hunter
October 1979 Gen. Conf.)

THE DIVINE
GIFT
OF

FORGIVENESS

NEIL L. ANDERSEN

The divine gift of forgiveness
can never be earned; it can
only be received. (p.3)

If you don't do a better job teaching the Atonement of Christ than you do teaching the commandments of God, you will lose your children, because they are not going to keep all the commandments.

Alma 12:32-34

We all need the
Atonement of
Christ the same—
perpetrators and
victims alike,
sinners and those
who are sinned
against.

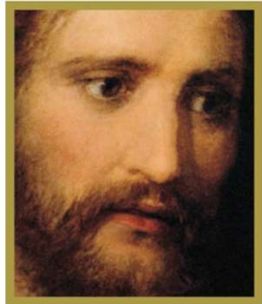

The two things we have to be good at is repenting and forgiving. Both are equally dependent on and only possible through Jesus Christ and His Atonement.

Sinners need Christ and His Atonement to repent!
Victims need Christ and His Atonement to forgive!

Understanding and accessing the mercy and grace of the Atonement of Christ will help us to eliminate contention and condemnation in our lives, filling us with love and peace.
