God *could* do something.
Faith is to know He will.”**

Because you know His will!

True Faith

Faith is not getting what we want.
True faith is knowing the will of
God and aligning our will to His.

How do we obtain and strengthen our faith?

Three things are necessary, in order that any rational and intelligent being may exercise faith in God unto life and salvation (3:4)

3:5 The idea that He actually exists (Lecture 2)

3:6 A correct idea of His character, perfections, and attributes (Lectures 3-5)

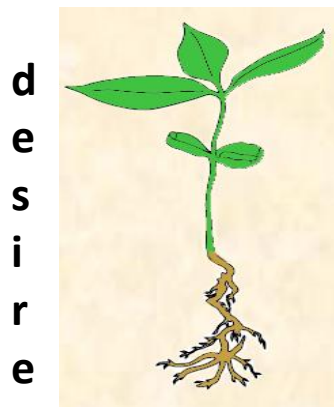

3:7 An actual knowledge that the course of life you are pursuing is according to His will (Lecture 6)
